DONGLE CABLE FOR USB-C DEVICES

The Lind Electronics USB-C Dongle cable is designed to allow charging of USB-C devices (up to 100W) using a standard barrel adapter. Simply plug a standard barrel connector into the corresponding jack on the Lind USB-C Dongle cable, and then insert the end with the USB-C plug into the desired USB-C device.

The USB-C Dongle cable is compatible with a wide range of AC adapters or Lind DC/DC power adapters. The USB-C Dongle cable first reads the voltage or power level advertised by the source. Then, the USB-C dongle re-transmits that power level (up to 100W) to the downstream USB-C device.

The power profiles that the USB-C Dongle cable offers are:

- 5V @ up to 1A (5W)
- 12V @ up to 3A (36W)
- 20V @ up to 5A (100W)
- 9V @ up to 3A (27W)
- 15V @ up to 3A (45W)

Contact Lind at (800) 659-5956 or via email at techsupport@lindelectronics.com to place an order or for help with any questions.

AVAILABLE OPTIONS

The Lind USB-C Dongle cable comes with a hardwired USB-C output cable. The optional lengths are:

– 4 inch cable
– 36 inch cable

On the input side, the Lind USB-C Dongle will have a jack to accommodate one of the following standard barrels:

– 7.4 x 5.0mm barrel
– 4.5 x 3.0mm barrel

OR a hardwired cable to plug into your existing Lind DC/DC converter.

LIMITED WARRANTY

Lind Electronics, Inc. (LIND) warrants the circuit assembly portion of products manufactured by it to be free of defects in material and workmanship for a period of 3 years* from the date of purchase under normal use. During this warranty period, LIND will, at its option, repair or replace the product at no charge for parts or labor when the product is returned postage paid as a complete unit to LIND. Proof of purchase and a letter explaining the problem must accompany the returned unit.

This warranty does not apply if any part of the adapter, its cables or connection jacks have been altered, subjected to abuse, accident or misuse. This warranty excludes incidental or consequential damage resulting from the product or the use of the product. This warranty is in lieu of all other warranties expressed or implied and no person is authorized to assume for LIND any other liability in conjunction with this product. The warranty gives you, the purchaser, specific legal rights and you may have other rights which may vary from state to state and country to country.

The LIND product you are purchasing has not been designed for, or certified for use in, life support applications. Any such use is at your own risk. LIND ELECTRONICS, INC. HEREBY EXPRESSLY DISCLAIMS ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Lind Electronics, Inc. will not be liable for any claims, awards, damages or other liability arising out of the use of LIND products for life support applications whether in the nature of direct, indirect, consequential, special or punitive damages.

*1 year warranty on custom built adapters and adapters with permanently attached (hardwired) cables.
