MOUNTING BRACKET FOR LIND POWER ADAPTERS

ASMTL-00331, ASMTL-00332, ASMTL-00335

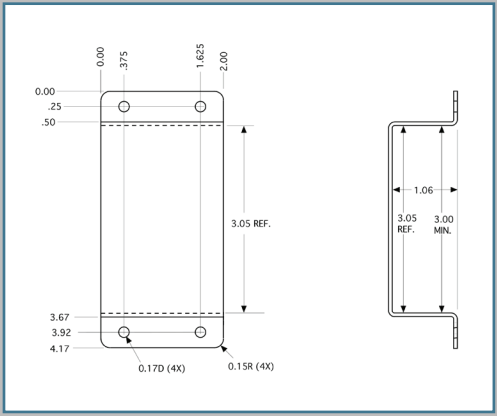

FEATURES

- Mounts power adapter to fixed place within vehicle
- Can mount in hidden places in vehicle
- Rugged

TECHNICAL SPECIFICATIONS

- Weight: 27 grams/ 0.06 lbs
- Dimensions: 77 x 51 x 27 mm/ 3.05 x 2.0 x 1.06 inches

Lind's ASMTL mounting brackets are designed to mount your Lind power adapters in a fixed place within your vehicle. This ensures that the adapter stays put while the vehicle is in motion.

Both cables on our Lind power adapters plug in to the same side of the adapter, enabling the mounting bracket to be mounted to a "hidden" spot in the vehicle and still have access to the cables.

For more information on our mounting brackets, power adapters or any of our other products, please visit us at **www.lindelectronics.com**.
